Student Support Policy

Policy approved in Meeting of Board of Governors under Agenda no. 22.5 held on 14-03-2020

Preamble: The Institute is committed to fostering an inclusive and supportive learning environment that enables students to achieve their academic, professional, and personal goals.

Objectives: This policy provides a structured framework to deliver academic, financial, and personal support to students, ensuring their holistic development.

Scope: This policy is applicable to all students across all programs of the Institute.

Institutional Commitment: The Institute shall ensure the availability of timely counseling services, adequate academic resources, and modern ICT facilities. Financial support through scholarships and assistance schemes shall be continuously strengthened and expanded.

Student Development: Students shall be actively encouraged to participate in co-curricular, extracurricular, and leadership activities to enhance their overall personality and skills.

Career Support: The Institute shall provide guidance for higher education, skill-based training, and placement support to enhance students' career opportunities.

Capacity Building: Regular programs for professional development and life skill enhancement shall be conducted and updated to meet evolving industry and societal needs.

Innovation and Entrepreneurship: The Institute shall promote innovation and entrepreneurial culture by providing necessary infrastructure, mentorship, and support for startups and creative initiatives.

Implementation: The Institute shall ensure continuous monitoring, evaluation, and improvement of all student support systems for effective implementation.

Conclusion: This policy aims to develop competent professionals and responsible citizens who contribute positively to society.
